NEW PRODUCT

Masterfeeds

FRONT RUNNER™
EQUINE PROGRAM

HOMESTRETCH (TEXTURIZED)

FOR HORSES
IN INTENSE
TRAINING

FEATURES & BENEFITS:

Very palatable with molasses and added flavours.
For improved intakes.

Blend of oats, barley and corn.
Readily available energy sources to provide energy for performance.

Contains added fat from vegetable oil.
Increases energy density to elevate calorie intake for the same amount of ration. Increases muscle glycogen content, over time (10 to 12 weeks).

Contains yeast culture.
Works as a digestive aid and gut stabilizer reducing digestive upsets and maximizing digestion.

Contains high level of vitamin E.
A powerful antioxidant to enhance immune response and improve tissue regeneration after strenuous exercise.

Contains chelated trace minerals.
For increased bio-availability of those nutrients essential for immune response, hoof health, bone and cartilage development.

Contains both Pre and Pro Biotic.
For improved digestibility of feedstuffs as well and improved gut health.

TRAINING

Masterfeeds 13% Homestretch is a high quality ration to meet the needs of the high performance trainer looking for a very palatable, high energy, texturized feed. This feed is oat, barley and corn based feed fortified with a supplement pellet containing our premium vitamin mineral pack. It is blended with vegetable oil and molasses.

FEEDING DIRECTIONS:

Feed 0.5 to 1.75 kg per 100 kg bodyweight along with good quality hay. To promote good gut health provide a minimum of 1 kg for every 100 kg bodyweight of hay spread over multiple feedings throughout the day.

This feed contains added Selenium at 0.5 mg/kg.
